

TODDLER ROOM NEWSLETTER

July 2014

REMINDERS:

If you are planning holiday over the summer, please inform toddler room staff or Jola so we can plan activities accordingly, thank you.

Please put sunscreen on your child before bringing them to daycare, we will re-apply sunscreen for afternoon outdoor play. The daycare provides sunscreen, however if you have one specifically you prefer for your child to wear please bring it in.

Please check your child's cubby at the end of the day for artwork and dirty and wet clothing.

SUMMERTIME IS HERE, HOORAY!

Because the weather has turned very hot at times we ask that parents make sure your child has lots of extra clothing, and, please label this clothing.

We will be doing many activities that involve water over the summer, especially on our very hot days to keep cool. We ask that you provide your child with a towel and bathing suit for these days, or lots of extra clothing for changing.

As well, please bring appropriate shoes for water play and getting wet, or bring a pair of extra shoes.

The toddler room will post a summertime activity calendar for parents.
